The Traveler

EDIT

The deity known only as The Traveler is the god of exploration, travel, and the freedom of the open road. He is an oddity, even among the gods, as he has no set demesne or even a consistent appearance. Instead, he travels the multiverse in innumerable disguises, wandering anywhere and everywhere embodying the ideals of his portfolio.

While The Traveler's appearance varies according to his whims, he is often depicted as an older man in simple, travel-stained clothes and a wide-brimmed hat, typically accompanied by a hawk or falcon.
